Troy Wilhelm is "jamming" out to Metallica at home during some "leisure" time.

In early October the carnival came to town. Pete Velasquez and Buddy Simonds enjoyed their evening. It looks like they won a few prizes, too.

Joe Roman demonstrates his masculine abilities to terminate the "little bunnies." Joe won his mom a teddy bear.

Sammy Ruiz and Claudia Martinez are shown right after Sammy won her a new dog.

Even though Kermit is a small town, students still seem to find things to do. Hanging out at Sonic, partying at the sandhills, and cruising the "drag" are some of the favored pastimes.

A favorite pastime in Kermit is bajaing in Kermit's famous dunes. Christi Roman and Karime Mendez hold on for their ride as they ride in Marco Arouda's truck.
