This Golden Crane found the dirt as Bobby Riley (88), Mauricio Orona (54) and Buddy Hutchinson (44) put him down.

Although many fans and opponents seemed to have counted-out the KHS yellow Jacket football squad ... the true Yellow Jacket fans, coaches and the squad members themselves knew they could do what it took to make believers out of everyone!

Under the guidance of new head coach and Athletic Director Bruce Mitchell, the Jacket gridiron squad began pre-district play against the Seminole Indians and lost 6-14 ... only a few plays made the difference between winning and losing.

Next came Denver City and the KHS squad lost 14-24. Again, only a few plays and the score could have been reversed.

The AAAA Ft. Stockton Panthers tangled with KHS and won 22-7. Then came the district favorite: Sonora. The Broncos won the first district game 25-14.

The tide began to turn as Kermit hosted the Colorado City Wolves and battled to a 6-6 tie.

Next came the Greenwood Rangers and the Jackets were victorious, winning 18-12.

The Golden Cranes were the next opponent to feel the Jacket stingers as they fell 18-13 before the KHS onslaught.

With the district battle knotted for a possible three-way tie or out-and-out victors, the Jackets challenged Reagan County and faltered, 21-30, just missing the play-offs.

But, everyone saw traditional West Texas football in action as the Jackets provided excitement for all!
