The 1991-92 varsity basketball season was one of ups and downs, but was successful over-all.

The Jacket cage squad finished in third place in district 6-AAA with a record of five wins and five losses.

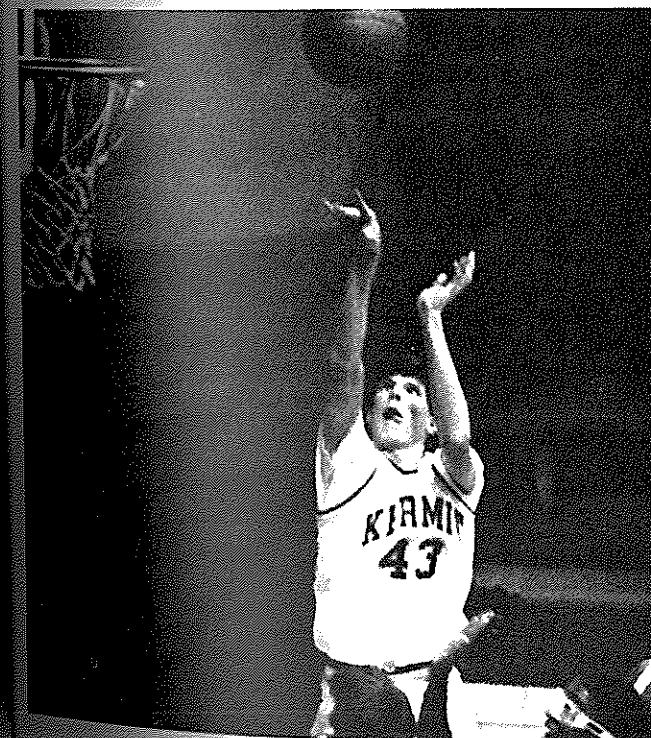

The Yellow Jackets lost an exciting game in overtime to the Crane Golden Cranes for the championship of the Alpine Tournament.

The loss was difficult to accept, but at the time it was still rewarding as it was the championship game.

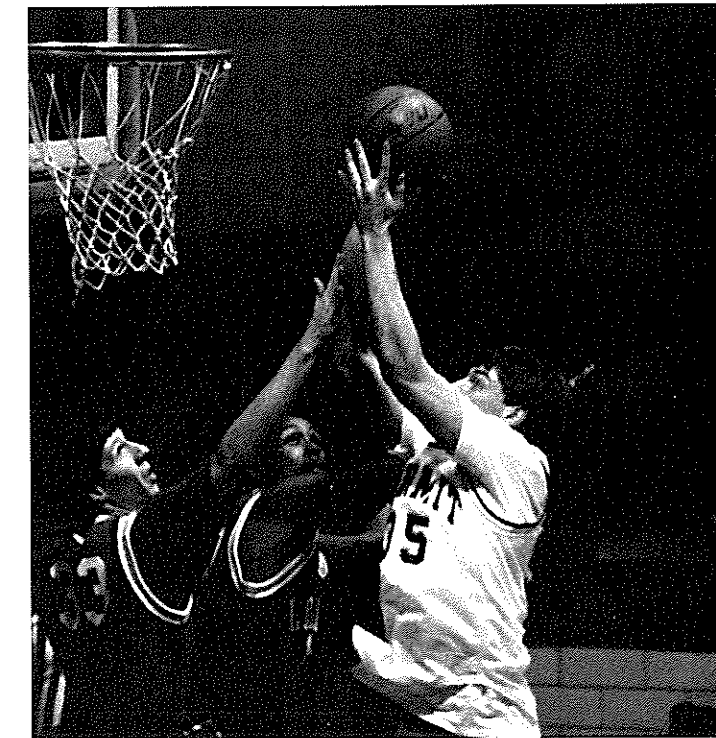

"The season was disappointing because we lost so many close games. But, at the same time it was very rewarding because in the end I felt we had become a team, and not a group of individuals," said Coach Jim Eubank.

Coach Jim Eubank draws up a play, while Brian Mobley, Brian Swisher, Jason Mills, Chris Stansel and Jeff Thompson look on.

Senior Brian Swisher leaps over the Monahans Lobos to gain another two points for the Jackets.

Senior Clay Fostel goes up strong against the defense to complete a lay-up.
