

# Freshmen Have Successful Year

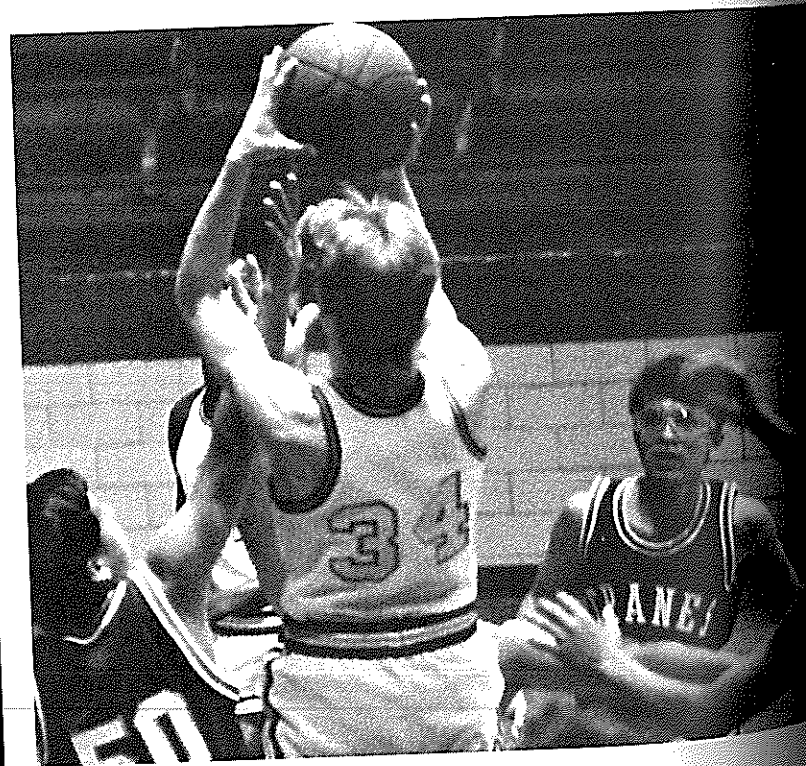

The 1991-92 Freshman Squad included KNEELING Matt Campbell, Chase Mills, Wesley Jamison, Michael Roberson, Edward Draughn, Devalon Bryant, STANDING Wallace, Bubba Bowerman, Brantly Heiser, Lamont Weaver, Philip Leach, Brent Mitchell, Corky McLean and Coach Nathan Poss.

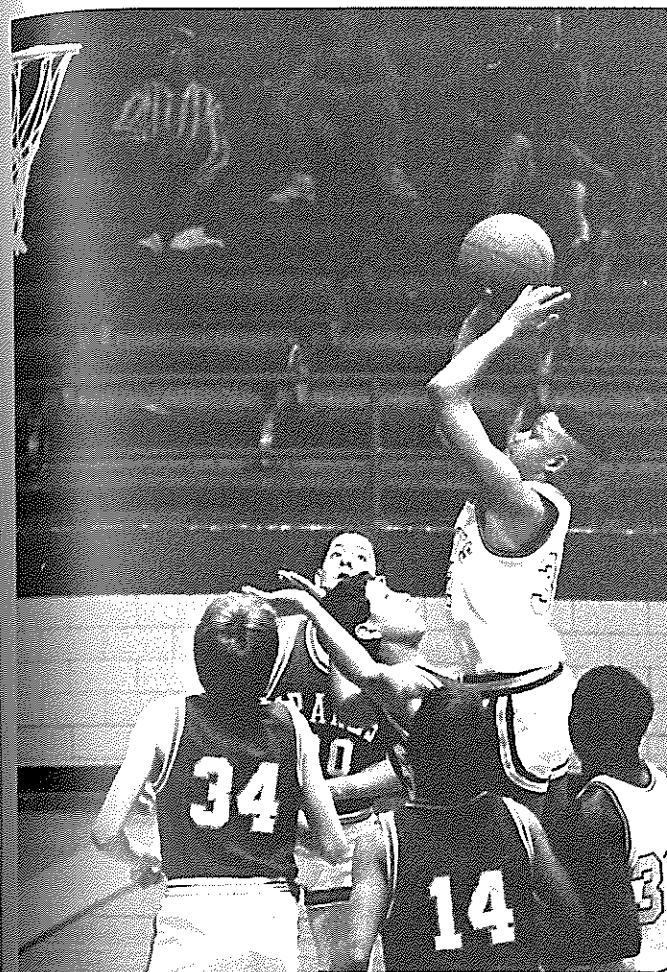

The Kermit freshman basketball team had a very successful 1991-92 season, finishing with a sterling 22-2 record. This included winning both the Fort Stockton and Kermit Tournaments in December.

The future Yellow Jackets did not lose a game to any rival ninth grade squad, as their only losses were to more experienced varsity squads from Imperial, Buena Vista and Lydia Patterson Institute in El Paso.

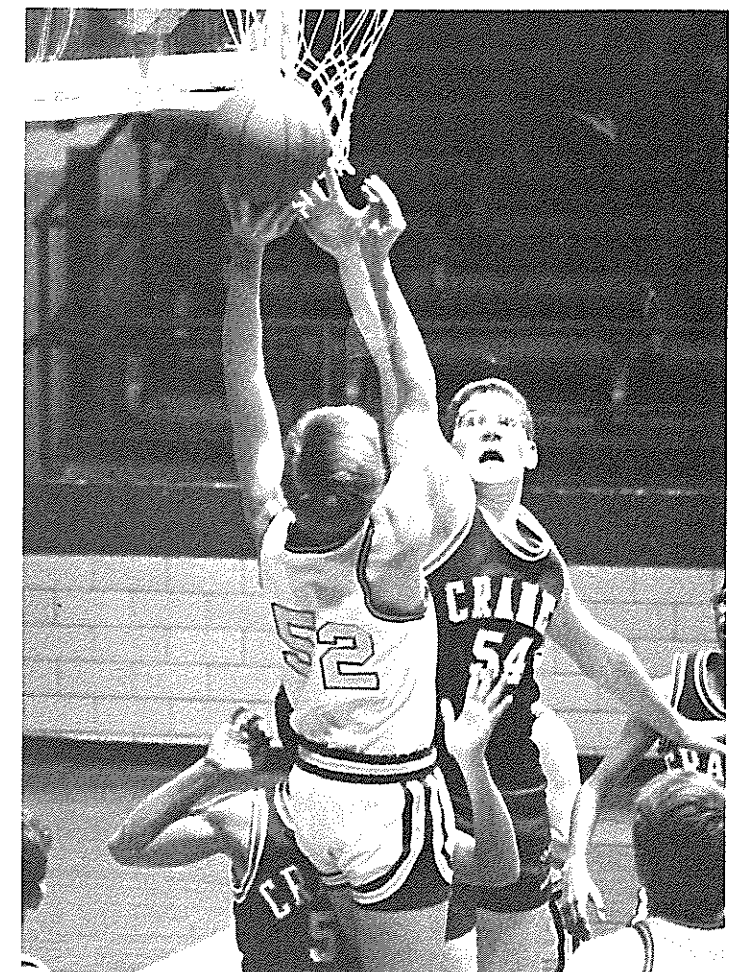

"This group has a bright future if they stay together as Yellow Jackets. They are not only good basketball players, but have a real love for the game that made coaching them very enjoyable and rewarding," said Coach Poss.

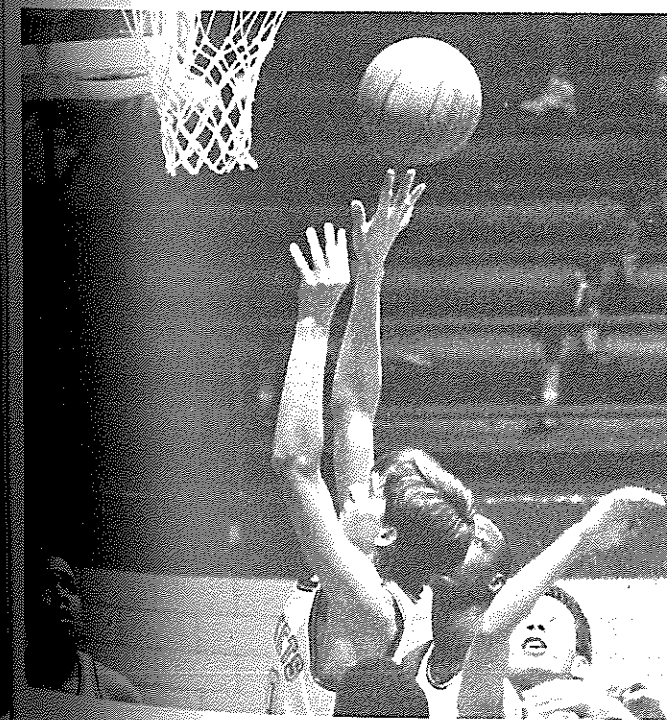

Going up for a two-point jump shot is Corky McLean.

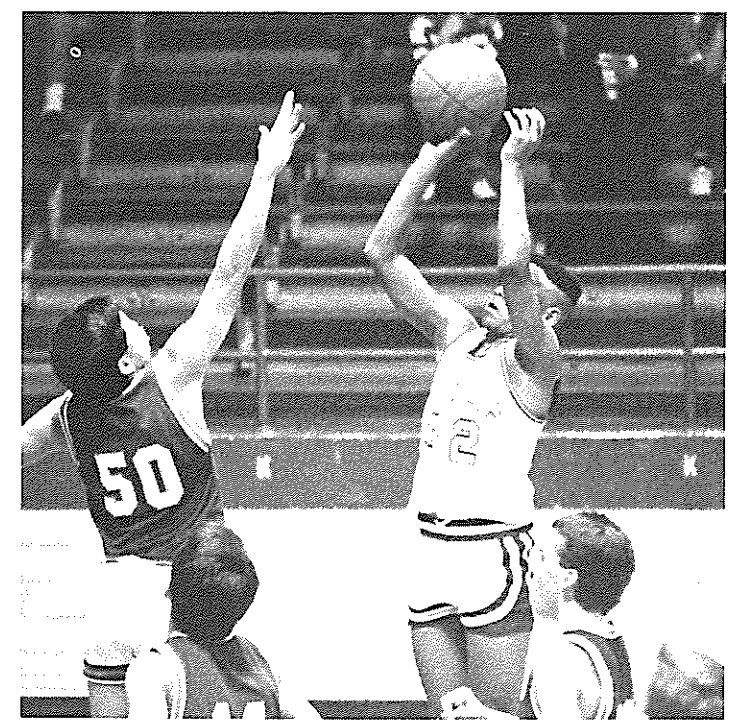

Devalon Bryant jumps above the defense to put another shot up for the freshman squad.

Brent Mitchell goes up "strong" to add two points to the scoreboard.

Laying the ball up for the freshman team is Brantly Heiser.

Devalon Bryant spots up and knocks down another two for the Jackets.
