

# Varsity Cheerleaders 1992-1993

The Varsity Cheerleaders had a very successful year. They attended camp during the summer and returned home, only to begin working for the upcoming school year. During the year they made signs, planned for pep rally's, and most of all, provided spirit for the entire school. Working together allows these girls to develop a sense of closeness, and as the year comes to a close, they realize that it's time to choose a new bunch of spirit providers. The senior cheerleaders would like to thank their "cheer coach" Sara Easley and the rest of the squad for making this a year to remember.

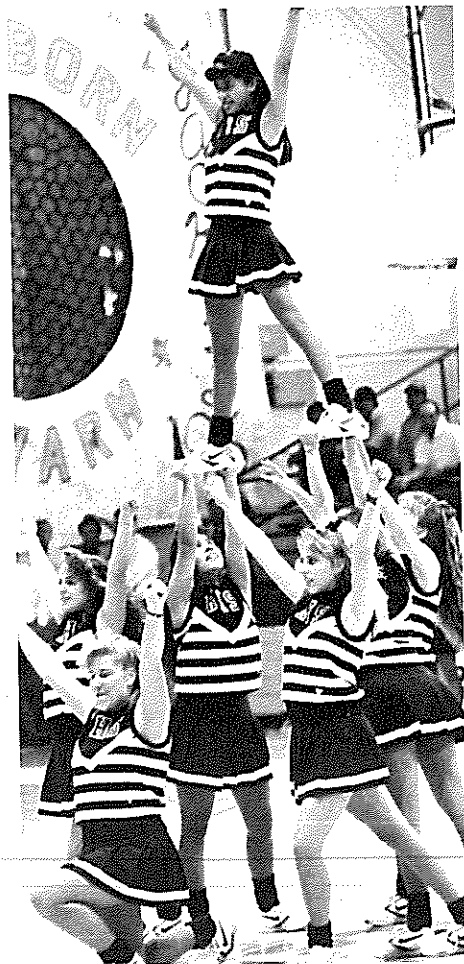

Waving the KHS flag during the school song is Mr. Buzz Brenda Hernandez.

Karen Pass, Amy Willingham, Andrea Lowe, Lori Naranjo, Lacey Emmerson, Shelly Knight, Amy Fires, and Dorimina Carrasco demonstrate KHS spirit with a stunt to "Two Bits."

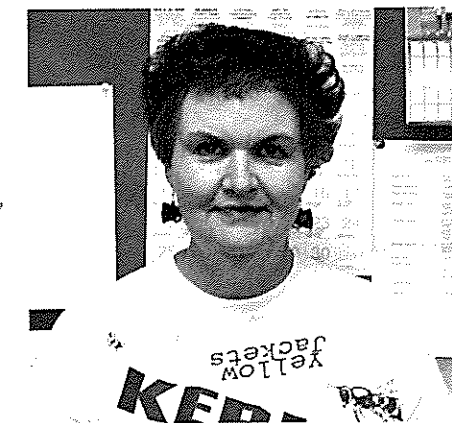

The Varsity Cheerleaders perform one of their many stunts to highlight the pep rally.
