

# Golfers Swing Into District

Stephen Everest gathers his strength as he gets ready to hit the ball.

Participating in this year's golf were Stephen Everest, Chase Mills, Tony Ramos, Jeff Duncan, Daniel Lowe, Clint Kidd, Chris Heredia, Matt Fogle and Jamie Jackson.

Competing in the District tournament held at the Winkler County Country Club were Coach Hanson, Chase Mills, Daniel Lowe, Clint Kidd, Tony Ramos and Stephen Everest.

The 1993 golf season started with the boys teeing it up at the Ft. Stockton classic. Playing in very difficult conditions, the Yellow Jackets faired well and turned their games for the beginning of district play. The boys team started with a good finish at

Sonora and led the district race all the way through. The boys went into the Regional Tournament and finished 12th place. There should be many returns to the Regional Tournament and that trip to Austin is still a possibility for next year.

Jamie Jackson gives it all he's got while driving the ball.

Looking as though he enjoys chipping on the practice green is Clint Kidd.

Chris Heredia concentrates on the ball.
