This was the first time that Kermit's Beta Club had competed at the state level and they did an excellent job by winning five trophies. The Kermit Beta Club tied with one established Beta Club for the number of trophies won at the state convention. Carrie Campbell and Reese Graves also received a second place trophy and a standing ovation in the Special Talent competition for their duet of "Whole New World" from the movie, Aladdin. A third place trophy was earned by the Quiz Bowl team of Reese Graves, Tim Beckham, Chris Senn and Matt Whigham. In addition, this team had the highest overall team score in the written competition.
