Tennis Team Qualifies One For Regionals

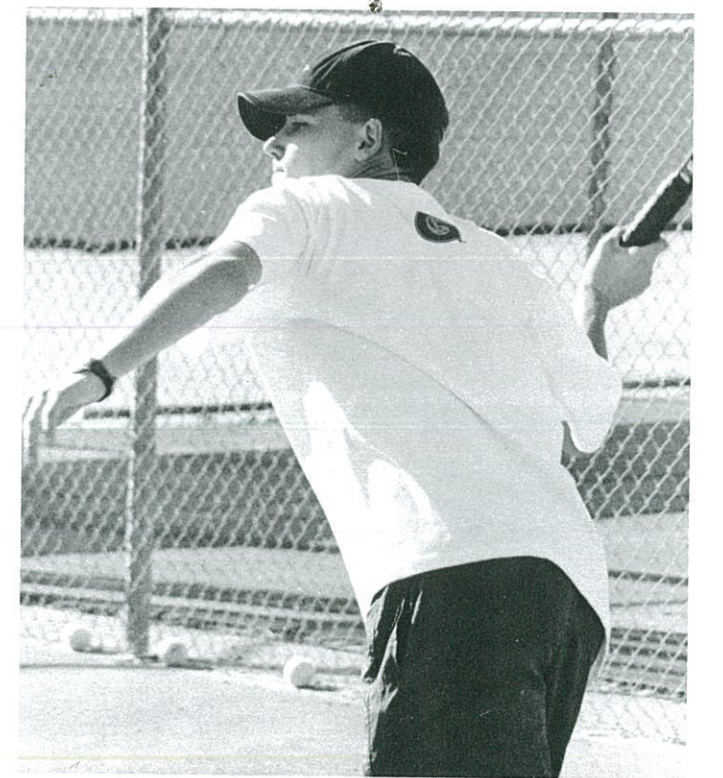

Members of the tennis team for the 1997 season are: (top row l-r) Coach Tom Gordon, Alecia Howard, Zach Belcher, Stephanie Powers, Staci Belcher; (kneeling) Jessica Chavez, Michelle Rushing, Hayley Parson and Griselda Trejo.

The Yellow Jacket Tennis Team started off slow, but ended the year with a bang.

The girls were strong with Staci Belcher playing the number one position and Alicia Howard playing as the number two. Staci finished in the top four in all of the tournaments this year. With these statistics she received the #4 seed in district. Unfortunately, she was unable to compete at the district meet due to back problems.

The girls doubles was a young, but determined team. Stephanie Powers and Hayley Parson held on to the number one position all year, followed by Michelle Rushing and Griselda Trejo at number two.

The boys were represented by Zach Belcher playing number one in singles and Jesse Bell playing number two. Zach finished the year winning first place in four of his five tournaments. In District he was number one seed and went on to become the boys singles district champ. Then in regionals he received the number four seed where he was later defeated in the quarterfinal.

Zach Belcher is 1997 District Boys' Singles Champion.
