1998 Lady Jackets District - Bi-District & Area Champs
 The Lady Jackets had it's most outstanding season since the softball program began in 1995. With the wind raging and the sand flying, the Lady Jackets traveled to Greenwood to claim their first true district title. The Lady Jackets totally annihilated the Rangeretts with a score of 19 - 7 and were named District Champs. Moving further into the playoffs, the Lady Jackets brought home the Bi-District Champs and Area Champs title after defeating Alpine 3-2. In the final game of the season, the Lady Jackets traveled to Brownwood where they met up with West. Their dream of advancing to the state playoffs was stopped short with a score of 7-3.

Kristen concentrates on her curve ball.
