KHS Student Council Members light candles honoring cancer victims and survivors.

The KISD Nursing Staff under the direction of Mrs. Mary Lou Lujan provide for the daily health and wellness of KISD Students, Faculty, and Staff. They also spend countless hours working on events to increase awareness and improve the health of not only the KISD population, but also the Kermit community. Events include The Relay for Life, Breast Cancer Awareness Month, Diabetes Walk, Hoops for the Heart, and many others.
