Congratulations Jerid!
You've come a long way baby! It seems like yesterday we were wrapping you in a blanket to bring you home from the hospital. We are so very proud of the wonderful young man you have become. We thank God everyday for blessing us with such a wonderful son. Our wish for you is for you to go out into the world and make your dreams come true. Be true to yourself and always put God first. We love you with all of our hearts!

The word "IRIS" come from the greek word "RAINBOW". Some say the rainbow is a path to wonderful things to come, some say it is a thing of beauty, yet others say it is a phenomenon. You Iris are all these things and much more. You, my daughter are the most precious gift I have ever received, go now follow your path and with strength and guidance from god, we know your life's journey will be like the pot of gold at the end of the rainbow.

Haley,
We are so very proud of you, you have been the light of our life. We will miss you but know that the world is a better place because of you. Always carry the love in your heart that you have shared with us.

We Love You,
Mom, Dad
