*Take Care

*Look to your right, now look to the left.
Realize your friends even if your not the best.
For so long we've been together
and now we'll remember forever.
We've laughed and cried
we've fought and lied
Now we go our separate ways,
till next time we see you,
don't count the days.
The town we love,
the town we hate
we've cried above for something to do when its late.
Although we go into the unknown
know your my sister for my bro.
Because for 12 years its been us
and in 12 years we've learned to trust
and even when life isn't fair.
Know I love you and take care.*
