Seems like only yesterday you were only toddling around getting into everything you could possibly get in to. Now you are a fine young man getting ready to go out into the world and make your mark. It is hard for me to let go of my little boy but you know that I will always be there for you and support you in whatever you decide to do with your life. The sky is the limit for you. You know that God is there to help guide you in the right path.
I love you, Mom
