Britt,
 Congratulations! You finally made it. What a great ride you've had! We are so very proud of all of your accomplishments and success throughout your years of school. Keep everything you have learned and the people you have met close to you for your years to come. We wish you the best of luck in the future and always remember to keep your eye on the prize and never look back.
 We love you so much!!!

Not too long ago you were just a baby. Time flew by and now you are a young man. You are so strong-willed and determined that I have no doubt you will succeed at whatever you attempt. Just know that no matter where life takes you, I will always be there, and know that I will always be your biggest fan.
 Love, Mom
