Eric,
 For the past 18 years we have seen you grow up to be a talented, good looking and smart young man, and we can't believe you are graduating from high school, where has time gone? We are so proud of you on what you have accomplished and we know you will succeed on whatever you decide to be if you set your mind and heart as you go off to college. Keep reaching for what you want to be and do in the future and never give up, the sky is the limit.
 Love you always, Mom, Arturo, Iris, Melanie, Rosa, Francis, Stephanie, Nephews and Niece.

Leroy,
 Words cannot express how proud we are of all you have accomplished. Your graduation is a time to look back on milestones achieved and to look forward to new challenges to come. We will always cherish the memories of your competitive abilities while running cross country and track. We are SUPER PROUD of you! We wish you luck in all your future endeavors and have every confidence that you will achieve everything you set out to do.
 Love always, Mom, Dad, Ruby and your brothers.

*To our daughter Nicole, who we love very much. You will be graduating soon and leaving for college. We are so very proud of how independent you have grown up to be, and how you care about people. We know whatever dreams you have you will set your mind to them and they will be accomplished because that's the kind of person you are. Good luck with your future. We are so proud of you and love you very much.
 Congratulations, Mom and Dad*
