 The past eighteen years have gone by so very fast. Now you are entering a new phase in your life. Continue to move forward and seek all that you have dreamed of.

May God Bless You.

Love you very much, Dad, Zel & Boys

Patricio:
 It seems like it was just yesterday when I flew to N.C. when I held you in my arms when you were born to "A Very Happy Grandma"

Now I look at a very handsome young man finishing his Senior year. Grandson, you have made us very proud of you, we were blessed with a wonderful grandson like you.

May God lead you in the right path in your future years. God Bless you and protect you always. We love you very much and will always be here for you.

Congratulations!

Love always Boy Honey and Girl Honey

Crista, Our ray of *SUNLIGHT*! You are the most wonderful and beautiful daughter anyone can ask for! It is a blessing to have you in our lives. All your inquisitive questions when you were a little girl, your smile, your kindness, the kisses and all the punches you give your Big Daddy "ouch" will be missed. You fill our lives with great joy! We cherish every minute of everyday that you have been in our lives (yes, even when you didn't listen to us). Treasure all your memories and friendships you have made at Kermit High! Congratulations on graduating from Kermit High School, this is a great accomplishment. You have worked so hard these four years in high school and we are very proud of you for hanging in there when it got tough, *MIA* remember only the strong survive! Soon you will embark on a new phase in your life. Go learn and live life to its fullest. We will miss you very much.

Mija keep your head up and smile pretty! Remember with God all is possible. "I can do everything through him who gives me strenght"

Philippians 4:13

Love you Daddy, Mommy, Tito, and Little Mary

Son, we can't believe graduation is here. When we look at you we still see you as the little guy with a flat top. Now, with curls and all, you are going into another stage of your life. A little scary, but with the way you carry yourself and think things out, we know you can and will accomplish any and everything you put your mind to. We are so proud of you! You have truly been the delight of our life. We thank you and love you with all our hearts.

Love always Dad & Mom

Alejandra, God gave us a little girl at a late time in our lives. Here you are graduating from high school! Another milestone you have accomplished, after 14 years of school. We are so very proud of you and hope you do well in your life. May you always let God be your guiding light. Love You Always, Dad & Mom
