Joseph,

This day has come so fast since you made your appearance for Christmas eighteen years ago. We have had so much fun going to baseball and basketball games, scout meetings and your accomplishments with your music. We have been so proud to have you as a son, grandson and brother and watching you grow into a tall young man. It has been a bumpy road but hopefully from now it will run smooth. We want the very best for your future and hope you are always successful, happy and safe in whatever you choose to do.

We love you,

Mom, Bethany, Gran and Grandad

Patricio,  
On January 8, 1992, I was very blessed with your arrival and you made my life complete. It seems just like yesterday that i was holding you in my arms. You are my pride and joy. We are very proud of the young man you have become and your accomplishments. It's hard for me to let you go, but I know I must let you adventure to your next journey. Just remember YOU can do anything your mind and heart feels! Get ALL out of life, son! Always put GOD first and keep HIM close. Congratulations MY BABY BOY! We love you very much. And wish you the BEST in life!  
Love You Always! God Bless You! Mom, Joe Albert, and Abel

Ravyn,  
Memories come flooding back to us as we look back over the years. It's so easy to remember your first steps and how we held out our hand for you to hold. As each year passes, you take more steps in your journey to stand on your own-but always remember that our hand and our hearts are forever here for you. You have been life's greatest gift and we are so proud of you!  
Love you to the moon and back!  
Mom and Dad
