

Although you have become a beautiful young woman, you will always remain our "little girl." You are the sunshine of our lives and we couldn't be prouder!

Don't Forget

Forget about the days when it's been cloudy, but don't forget your hours in the sun. Forget about the times you've been defeated, but don't forget the victories you've won. Forget about the mistakes that you can't change now, but don't forget the lessons that you've learned. Forget about misfortunes you've encountered, but don't forget the times your luck has turned. Forget about the days when you've been lonely, but don't forget the friendly smiles you've seen. Forget about plans that didn't seem to work out right, but don't forget to always have a dream.

Carlos,

It seems like just yesterday you were walking around in your cowboy boots with your gun strapped to your diaper and now you're graduating high school. It's hard for us to see our chunky monster grow up so fast but we are so proud of the young man you have become. We wish you nothing but the best on the new journey you're about to embark!

Love,

Mom, Izzy, Damaris, Miz and Jr

To our sweet Jaycie,

Congratulations!!! We are so proud of you! You have always been our determined, hard-headed little girl that can do anything! Thank you for taking us along on the ride! As you start this next chapter in your life always remember there is nothing you can't do and that we will always be right there behind you! Be strong and courageous. Do not be terrified; do not be discouraged, for The Lord your God will be with you wherever you go. Joshua 1:9
