

I really don't know where to start, Court. It's hard for me to believe you are graduating. Your dad and I are so very proud of you. I know you will do great out there in this crazy world. I will miss you like crazy, but I know you will be alright. I am grateful every day to have you, your brother, and your dad in my life. I wish you the best in all that you do. Remember I am always here for you no matter what. Love you Courtney Michelle!!!

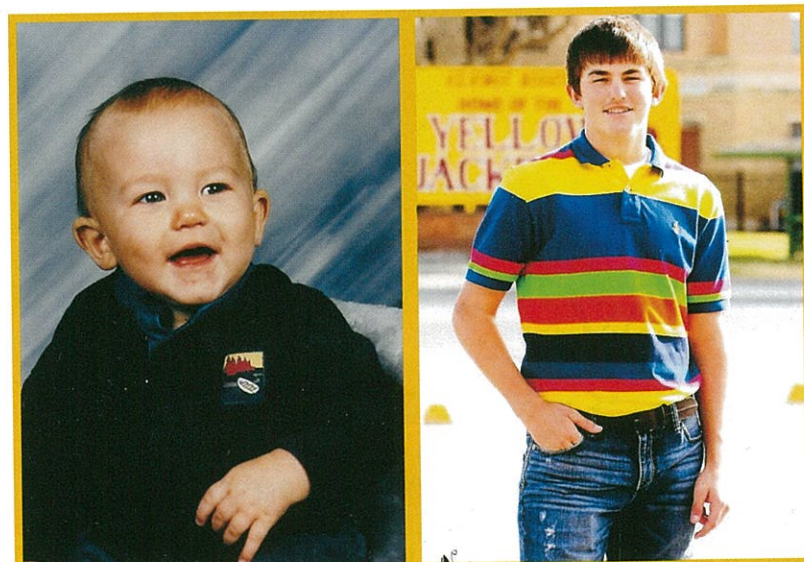

Love Dad & Mom.

Jared,
Congratulations on your graduation. We are so proud of you and everything you have accomplished. It has been so much fun watching you grow from a little boy to a young man. We hope that you will take everything you have learned in school whether good or bad and carry it with you for the rest of your life. Remember to keep your head up and live with the passion you have in your heart.

We love you very much!!!!

Mom, Dad, Brittany, and Megan

Macaela,
We are so proud of you, as always. Through all the years and now the tears, we are at the point in life, that we must let you take your own flight. You have always been a blessing to our entire family. You have touched our lives forever and we thank God for this. You have accomplished so much and have always made it through. God has always provided a way for you - no matter if it were around a problem, over it, or through. I can't believe that you were just a child, so shy and full of compassion, but now you have bloomed. As you venture on with a new beginning to life, we pray that God keep you forever in His sight. God has blessed us with you and no matter where your journey takes you, forever you will be nigh. We are very proud to join you in this very exciting moment in your life. You are no longer just my little girl, you are growing into a beautiful adult. We cannot express how proud you made me (your dad), Kendra (mom), Roxanne (mom), all of your brothers and sisters, along with the rest of your family. I would quote from the Bible, PSALM 18:32-36, as I believe it reflects of you: "It is God that girdeth me with strength, and maketh my way perfect. He maketh my feet like hinds' feet and setteth me upon my high places. He teacheth my hands to war, so that a bow of steel is broken by mine arms. Thou hast also given me the shield of thy salvation: and thy right hand hath holden me up and thy gentleness hath made me great. Thou has enlarged my steps under me, that my feet did not slip." Remember this always as you take your personal flight into life and may God Bless and keep you as always.

We love you truly.. Larry Owens, Kendra Alvarez, Roxanne Owens, and all of your family.

Ma-Maw and Uncle Kary would have been soooo proud.

Love you always Flea.....
