## Noemi Borunda

Dear Alexis,  
The first time we saw you,  
We felt such love inside  
for a pretty little baby girl  
Who hardly ever cried.  
Soon, you were a grown up girl.  
We are very proud of you!  
You have always done  
your best in school.  
And in everything you do.  
Teenage days - they come and go.  
You survived them well.  
You had your dreams and set your goals.  
We knew you wouldn't fail.  
My precious girl - a gift from God;  
You've grown up so very fast;  
But the specialness inside of you  
we know will always last.  
Love always Tia Becca, Tio Juan, Buela,  
Sabrinity, Mom, Chris, Vickie, & Victor

## Ashley Crawford

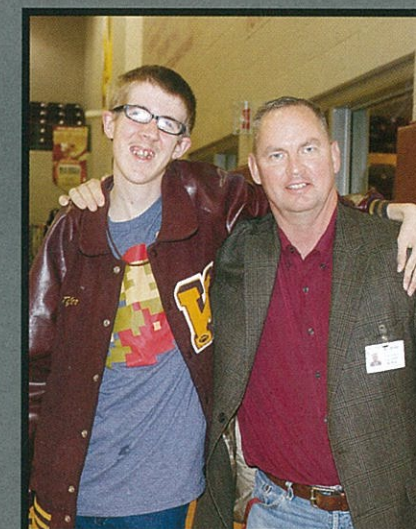

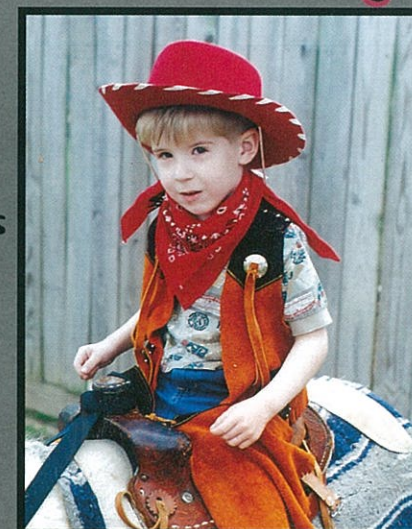

Dear Ashley,  
Our baby has grown up! Along the way you have become intelligent, beautiful, and a wise young lady. You have always marched to your own drum and we are so proud of you for it! Congratulations and we can't wait to see what your next chapter has in store. Love you to the moon and back!! Mom & Dad

## Tyler Howell

Hard to believe that you are 18.  
Thank you for being a great son. I  
love you very much! You will always  
be my baby.

Love Mom & Dad

## Denise Sapien

Denise,  
It seems like just yesterday we took you to your first day of Pre-K. Here we are now soon to watch you walk that stage! Time went by so fast! You have grown into a beautiful young lady and mother. We are so proud of you! You've reached the end only to find a new start. Always remember to put God before anything you undertake in your new chapter of life. With him we are more than conquerors. May God bless you and watch over you. Catch your dreams princess. We love you, Mom, Dad, Sis, Aubs, and your precious princess Evelyn Grace.
