

Jantzen Michel

Jantzen,

Ever since you were a little boy, you've brought so much life to our family. You always amazed us with your knowledge of the things going on around you. We are so proud of the young man you have become. Your accomplishments both on the field or court and in the classroom make us happy for you. From the first years of T-ball, Little Dribblers and Roughnecks to the last games you played as a senior, we have enjoyed watching you give it your all in every game you ever played! But, the things that make our eyes swell with tears are the compliments we get about what a good student you are and what a good young man you are. Thinking of others before yourself is a great quality you have and that will take you a long way in life. Keep up the good work. Enjoy your years at Tech!

We Love you "clear" to the moon and back!

Love,

Dad, Mom and Allison
