Alyssa,

Just like your sisters we are blessed to call you our daughter, as you have always made us very proud. The day you were born was a blessing for me and your mother. This is a great accomplishment for you, and the beginning of the rest of your life. You have made all of your family very proud. As a child, you were very outspoken and opinionated. However, we have watched you grow and mature into a very beautiful, loving young lady over the years. We are very excited to join in this special event with you. We believe that you have overcome many of life's obstacles and will continue to do so. I would like to remind you, as it says in Deuteronomy 31:8 "The LORD himself goes before you and will be with you; he will never leave you nor forsake you. Do not be afraid' so not be discouraged." Always remember this as you journey through life and may God Bless and Keep you safe Always.

We Love you so much Never forget that, your Dad, Mom, Roxanne, and all of your family.

Mamaw, Happle & Uncle Kary would be so Proud of you.

Andres,

Congratulations! We are enormously proud of all that you have achieved. May God continue to bless you and direct your path. You are truly an amazing son!

Love you, Mom & Dad
