

The Wildcat Staff

It has been the purpose of the Wildcat Staff to observe the environment of our surrounding country and use as the theme of our annual this year. Every way that we have turned we have found various indications of the liquid gold—oil. From these we put into our book pictures which shall remind you in later years of the life in an oil field. We also hope that the glimpse into the school life with its sports, work, and social life, the holiday life as portrayed in snapshots, will cause a tiny spark of homesick feeling to come to you if, by chance you have sought other "green pastures."

At the beginning of the year we had on the annual staff seven members: J. T. Henderson, who resigned soon after school began; Murriel Morris, who also resigned because his part in athletics was too important for him to continue on the staff; Viola Mullins, who went back to Crane, her home before she came to Wink; Louise McNeil, who recently moved to the new oil town of Kilgore; Winnie Steadman Juanita Reese, and Ruth Jette. This club was sponsored by Miss Gladys Riddles, teacher of English in High School.
