

JOE RHODES
If it had not been for our red-headed center the football season might not have been so successful.

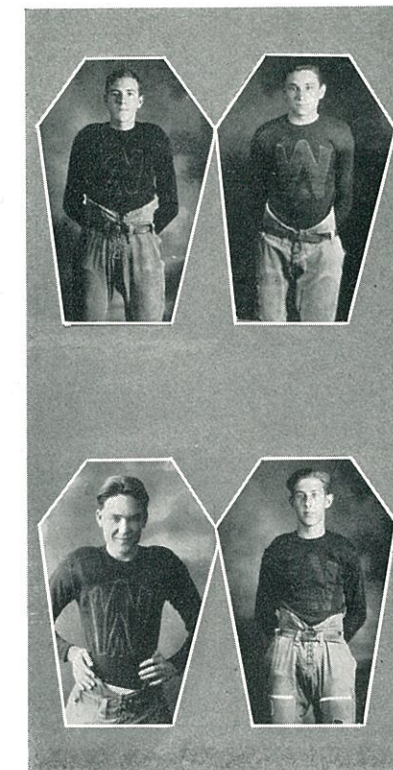

LLOYD PICKERING
One of our hard working tackles.

JIM WILSON
Our fighting left half back. "Jim" has some spirit.

LANE REEVES
One of our heaviest men on the team. He played left tackle.

The crowd at the Hobbs game on Thanksgiving Day.

DON CHANEY
A good end as well as a singer.

LEONARD GOTTLOB
Another one of Coach's hard working guards.

DEE WOOTEN
One of our ends.

J. D. HUNTER
A half back that will probably be going strong next year.

An exciting scene where the Wildcats are giving the enemy a good trouncing.
