

### COACH JOHNSON

Coach Johnson, the ideal of every "lad" he has coached, has been presiding over the activities of Wink High School boys for four years. With seven years experience, having been a four-letterman and captain in baseball at Simmons University, Abilene, Texas, he is excellently qualified for this position. He has also attended many coaching schools, the most notable being those of Warner at Colorado A. & M. and Jones of Southern California in football, and Lambert of Purdue in basket ball.

## FOOTBALL
