## SCHOOL BOARD MEETING

This picture, taken at a regular meeting of the Board of Trustees, shows the men who are responsible for the affairs of the School District. Of the group, Robert Brannon, Howard Heath, Joe Chest and Mrs. Ralph Lowe, Secretary, have been on the board since the first organization of the School District. Since this picture was taken Mr. H. S. McGarry has been added to the board to fill a vacancy.

While the student body does not see much of this group of men, a well ordered school system is sufficient proof that they have the interests of the school at heart.

The board meets once each month—usually about the 10th.
