MISS LETITIA RIXON
Sponsor

Stop! Look! Listen! Here comes the Sophs of '29, the renowned Seniors of '32, and after industrious work, the remarkable men and women of our country.

After the first busy weeks had passed the Sophs had a class meeting. Miss Letitia Rixon was selected as sponsor. The other officers elected were as follows: Rose Sullivan, President; Ruth Robinson, Vice-President; Willie Smith, Secretary.

The Sophomores certainly did do their part toward the beauty contest, and why not? They had one of the most beautiful girls in all Wink High School, Beloit Bedford, as their class beauty. The Sophs showed remarkable enthusiasm and Pep (notice the capital P.). They were complimented by both teachers and students for their untiring, ceaseless efforts in the beauty contest. The Seniors acknowledged that the Sophs gave them some stiff competition. As you remember, the Sophs won second place in the contest.

A great misfortune which befell us during the year was the death of our school-mate and chum, Beloit Bedford. The Sophs partook in all athletics, and several were on the Whirlwind staff. When defeat came, the Sophs bore it with a spirit of true sportsmanship.

Now watch the progress of these Sophs in years to come. As Juniors, and then as Seniors, the very best is expected from them. Some will go on to college and universities and become famous for their deeds. But we feel sure that each one will accomplish great things in whatever phase of life each member undertakes. It is hoped that each will leave something in this world by which his life will be measured.
