THE AUDITORIUM

THE CORONATION OF THE MAY QUEEN

Vividly must we paint this picture with words, because we have no picture made by a photographer.

In a beautifully decorated gymnasium, with colors of the rainbow dazzling our eyes, was a throne that any goddess of Olympia might have gladly sat upon. The music was soft and low.

The first to appear were two tiny heralds who announced the following as they appeared:

- Princess from Freshman Class Lula Jim Kelly
- Duchesses from Freshman Class Rcese Marie Rutledge and Olena Crawford
- Princess from Sophomore Class Violet Nichols
- Duchesses from Sophomore Class Willie Smith and Fay Cass
- Junior Princess Gene Randolph
- Junior Duchesses Ina D. Everett and Mary Jane Sloan
- Princesses from Senior Class Julia Jette, Jewelle Butler, Annie Laurie Guttry, Mayme Lee Paris, Medina Sloan, Ruth Allen, Clytie Inmon, Ruth Tangye.
- Her Royal Majesty, Queen of May Loraine McGarry
