

BASKETBALL GIRLS

We are proud of these girls of ours. They had a most successful season, having won seven out of the nine games played. Among their opponents were Lovington, Pecos, Barstow, Alpine and Fort Stockton.

We had no girls' basketball team last year and everyone was especially enthusiastic about it this year. There were enough girls for several teams out for practice. Consequently, there was keen competition for every place on the team, and the ones who did secure a place on the first string were plenty good.

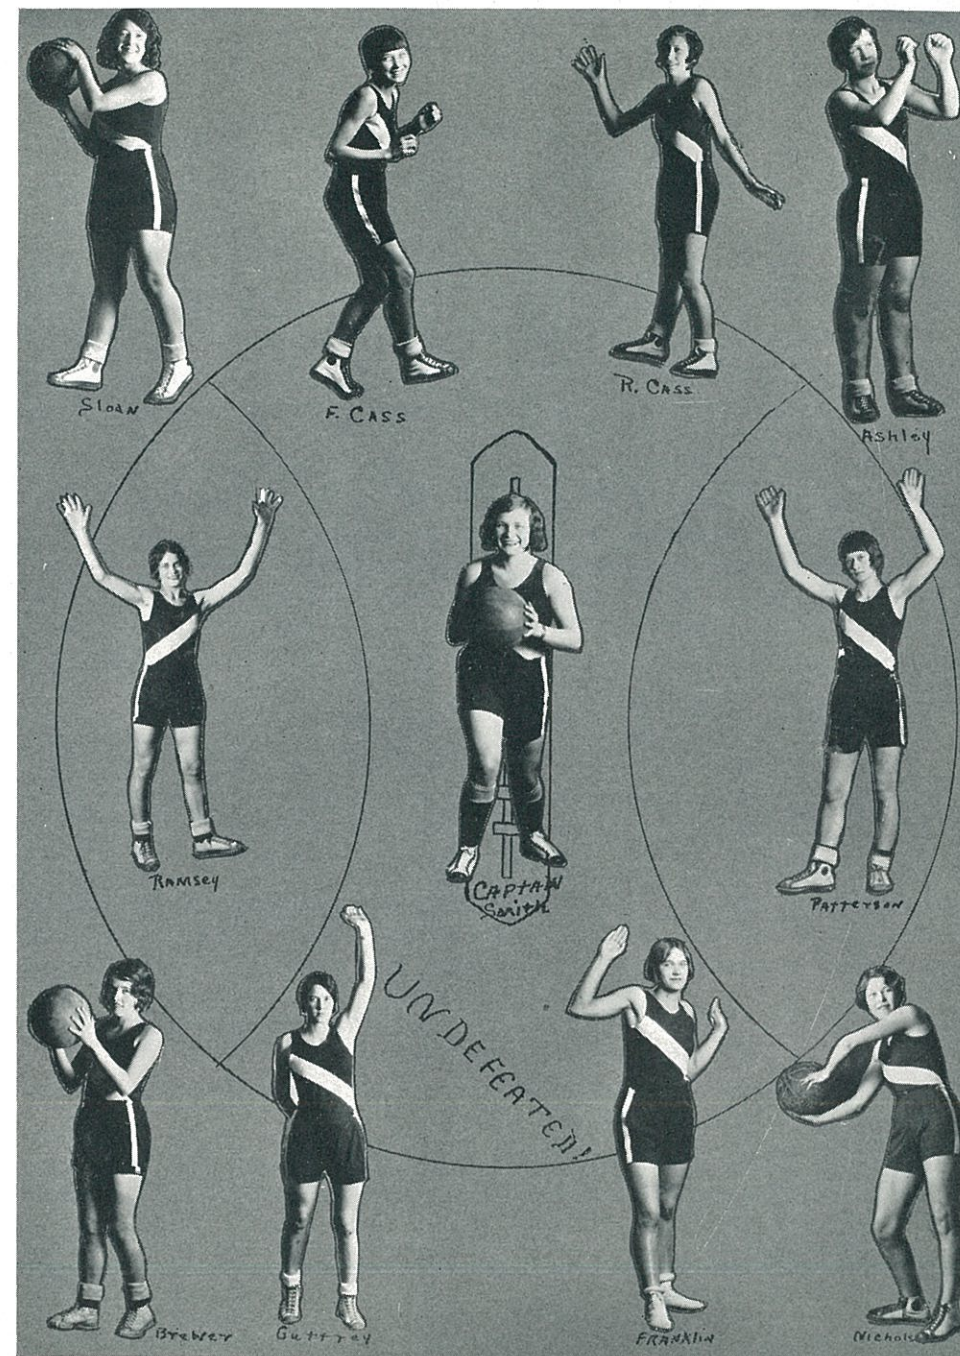

At the end of the season sweaters were awarded the first string team and the girls certainly looked pretty in their bright orange-and-white coat sweaters with the large "W" on the left side.
