

THE WILDCAT

Ode to Letitia Rixon Coach of Girls' Athletics

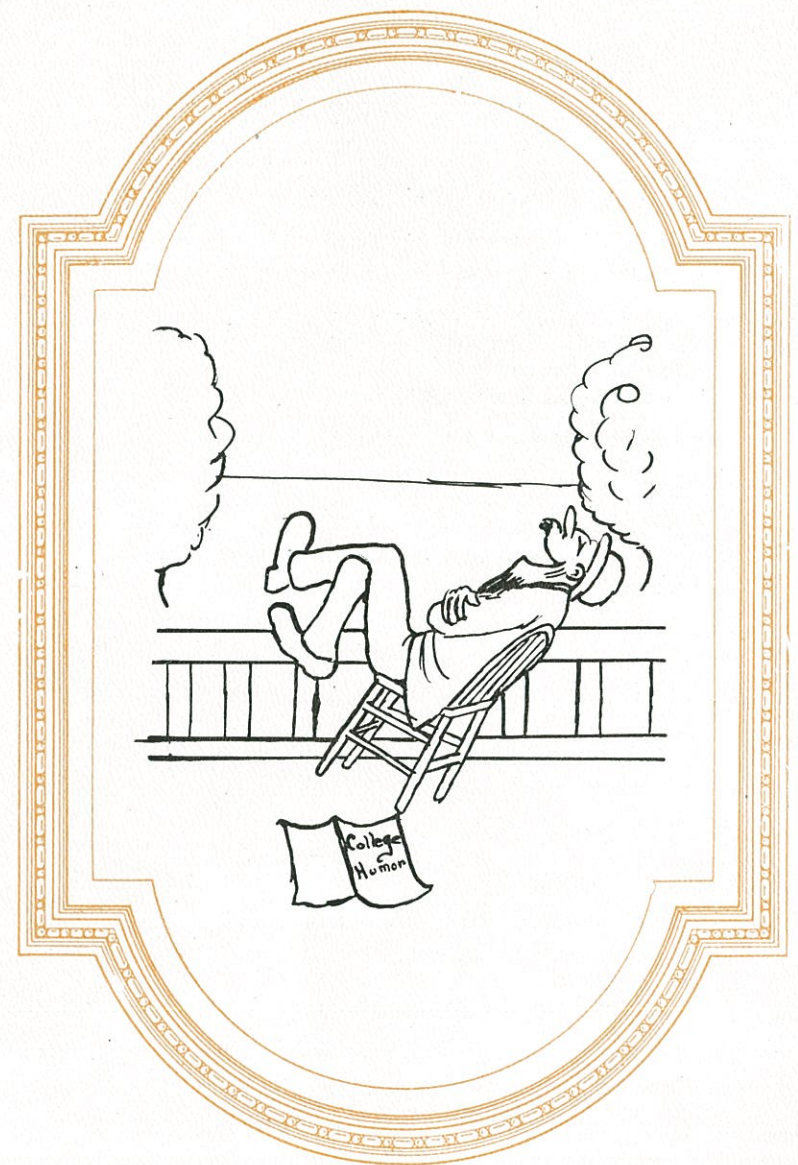

(Because of some error the picture of Miss Rixon was left out of this book.)

*To one who has ever been a faithful and wonderful coach, we dedicate this page
of the High School Annual.*

Always has she worked for us;
Always has she been faithful;
When victory was ours, she smiled;
When defeat came—she continued to smile;
That's why we love her.
That's why we adore her.
Too, she was a pal outside
Mountains we climbed together.
We had our fun with her.
And so to our coach, we bow
And to her, praises we bring
Hoping that she will forever cherish
In her mind, happy thoughts
Thoughts of her "Dear Children,"
In reality—Her Athletic Students.
