

This, your 1941 Wildcat, comes to you representing a pictorial cross section of the busy, bustling, exciting life of the 1941 school year. In order to preserve for you the memories of the year, we have chosen to use the theme of the Gay Nineties—the most colorful period of American history. This period of Gay Nineties represents the period of bustles, polished manners, femininity, the horse and buggy, and handle-bar mustaches; a period of fun, frivolity, loyalty, high ideals and confidence.

To us, this is the only period colorful and exciting enough to compare with the school life of Wink High students. Hoping that this book will preserve for you the memories of your high school days, we fill the following pages with the pictures and records of the friends and relatives of the "Wildcat."
