1yr-BOBBIE BRASHER-140 lbs. A halfback who made team first year up. Inspires whole team. Expected to be spear head of 1941 attack.

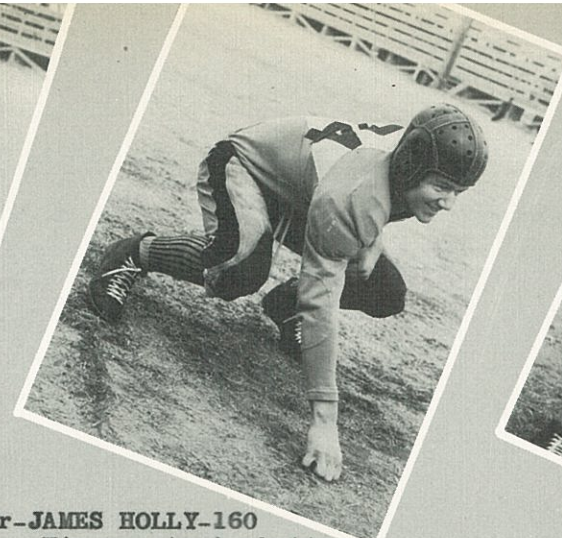

3yr-THOMAS CONNOR-185 lbs. A red-headed, fighting Irish tackle with an unselfish heart and great spirit.

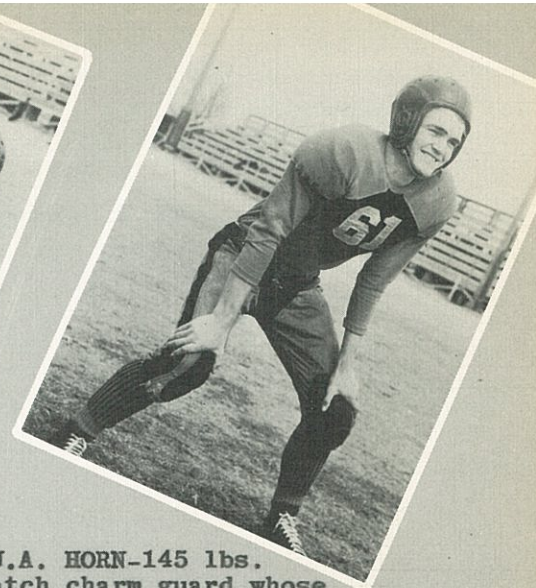

3yr-CHARLES DIVELBISS-190 lbs. Senior letterman, tackle whose experience was valuable. Showed a fine spirit.

2yr--W.L.DODD-151 lbs. An aggressive fighter, a great guard.

2yr-JAMES HOLLY-160 lbs. His constant chatter added fire to the defensive line. A good end.

3yr-J.A. HORN-145 lbs. A watch charm guard whose speed was used in the back-field during the final drive.

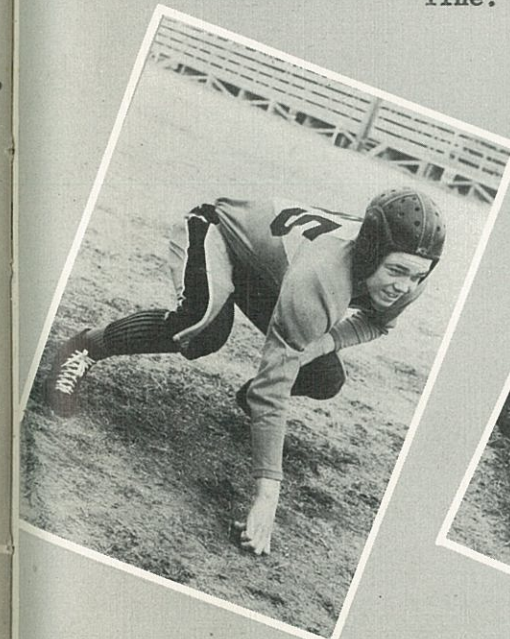

It is not news when Wink High School wins a championship on the gridiron, but rather it is news when she doesn't. During the last ten years the Wildcats have dominated West Texas football, amassing seven district and bi-district championships, which were consummated on five occasions by regional championships. During the past season the Wildcats lost three and won twelve games, annexing district and bi-district titles. This was not so outstanding as the undefeated and untied seasons of previous years, but it indicated harder work on the part of the players, and an exceptional job of coaching.
