## FOREWORD

Since we are now engaged in a struggle to preserve the principles that are a part of our daily life in Wink High School, the members of the staff have chosen "Education for Free Men" as their theme. Our school is truly a democratic one, and we choose to retain the liberty, freedom, and equality afforded us here. "One for all and all for one" is the spirit that pervades the entire school.

With these thoughts in mind, we have tried to portray in this Yearbook the truly American spirit that prevails in the activities of Wink High School, so that in later years all may recall the busy, enjoyable, and exciting days of 1942-43.
