## SUPERINTENDENT'S MESSAGE

As we come to the close of the 1943-1944 school year, I wish to remind you that you have participated in worthwhile experiences. As a result of these experiences, you have done some reflective thinking that should develop lasting attitudes. It has been evident that correct attitudes have prevailed when we consider the successes that have been yours.

I implore you to maintain your spirit that has been developed in Wink High School, and include such attributes as reliability, honesty, diligence, cooperation, and a desire to be better in molding your life and your life's work.
