

# FOREWORD

This 1946 WILDCAT pictures for you  
many of the faces, activities,  
and associations of this school year.

We have created a "bobby sox pixie"  
for our theme. We find these pixies  
typifying fun, work, happiness, cooper-  
ation and loyalty. We feel that our  
school, the students, teachers, and patrons,  
work and play in a loyal, happy, cooperative  
group. We hope as you turn these pages,  
both now and in the future, that this  
pictorial representation of our school  
will bring happy memories to you  
of this 1945-46 school year.

# DEDICATION

The '46 WILDCAT we dedicate to you  
Because you're superior in all that you do.  
Your marching formations and your concert playing  
Have won you the medals our halls are displaying  
You've upheld our traditions and won us acclaim  
And both you and the school are proud of your  
name —
