

FOREWORD

This 1947 WILDCAT will preserve for you many of the faces and activities of this busy school year. We have chosen the wildcat as the theme because he represents the strength, perseverance, and tenacity of spirit of our school. For years we have been proud to say that we are Wink Wildcats due to the reputation those in the past years have made for us. This reputation we strive to maintain on the athletic fields, in the music halls, and in the classrooms.

DEDICATION

To THE FACULTY
of the Junior and Senior High
Schools who have been our
friends and our teachers, our
advisors, and our helpers, our
sympathizers and our prodders
we dedicate this 1947 WILDCAT.
