

Wayne Pearson
End-1 yr. Can play
anywhere, and did.
What a line backer,
Wish I had eleven
like him.

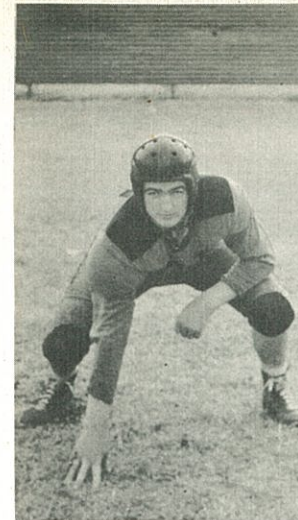

J. H. Kelly
Guard-1 yr. He has
great possibilities
and a great career
ahead of him.

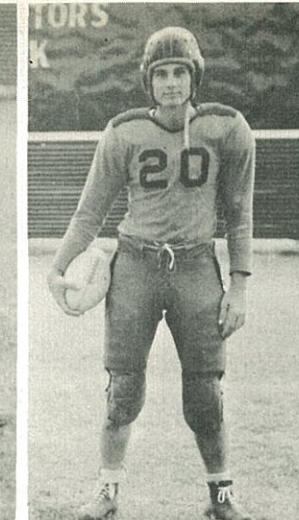

Bobby Marsh
Half back-2yrs. The
passer and speed
demon for next year.
Watch him go. Keep
it up Bobby.

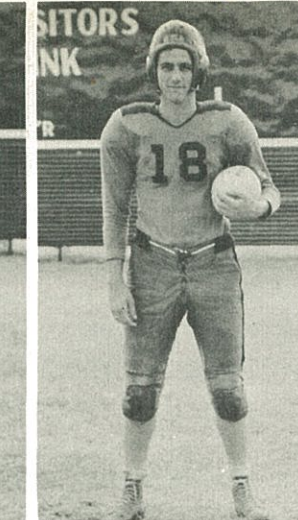

George Dennis
Tackle- 2 yrs. He
made a good tackle
this year, watch him
go in '47. He will
do his best.

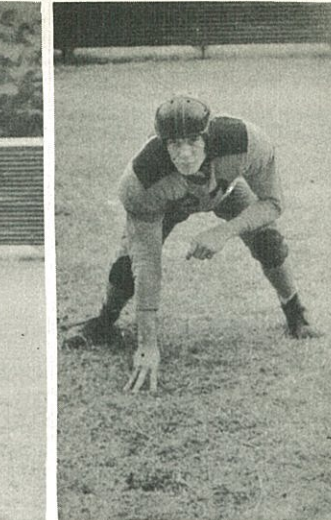

Junior Pearson
Tackle-1yr. Wasn't
he good this year?
But just think how
potent he will be in
'47.

Dewayne Phillips
Half back - 4 yrs.
You did a swell job
Moe, and one of the
finest half backs we
have had at WHS

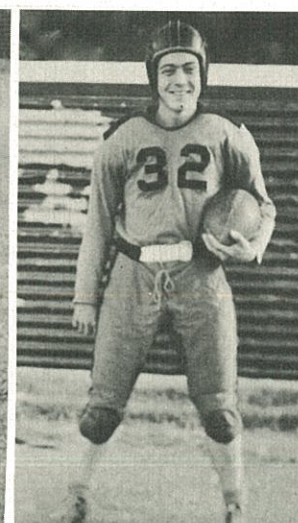

Gilbert Downey
Full back-2 yrs. If
he would just make
up his mind where
wouldn't he go? Do
your best always.

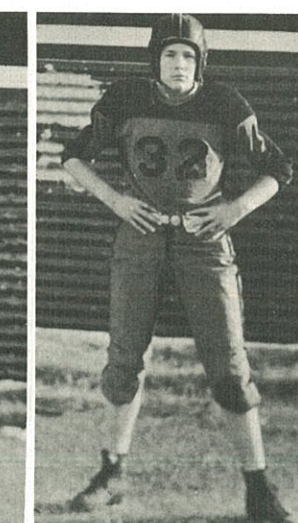

Bob Ebeling
Full back-2 yrs. If
I had eleven like him
I would play Texas
University. Will be
missed

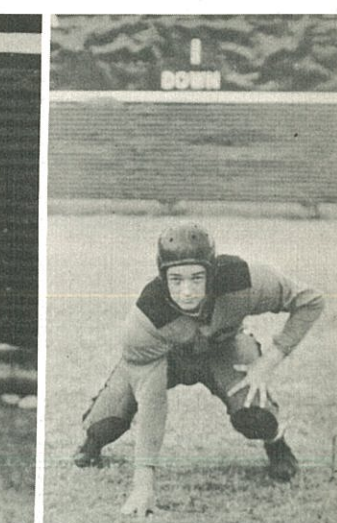

Daniel Lawson
Guard-2 yrs. Plays
good anywhere and
has a fine spirit. A
fighting Wildcat.

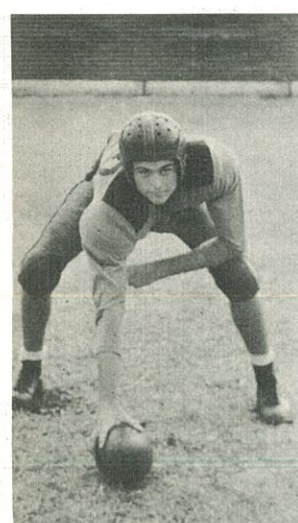

Eddie Hanks
Half back- 1 yr. He
will make a good
back for '47, watch
him go. We are
counting on him.

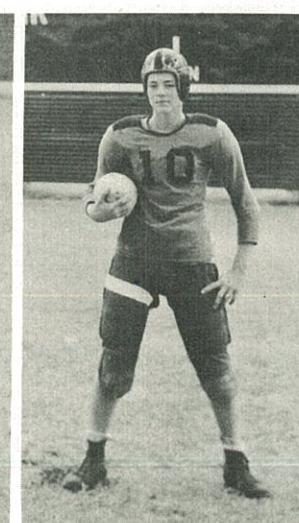

Denton Woods
Guard-1 yr. Looks
like a regular guard
for the '47 team.
Stay in there and
play ball.

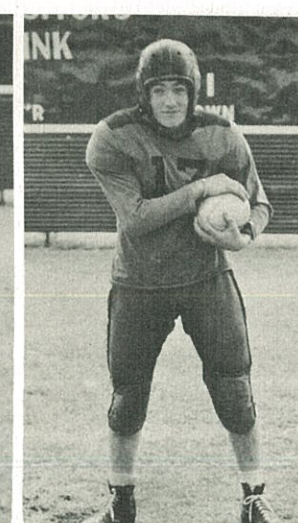

Guy Allen White
Guard-2yrs. Rough,
how does he do it?
I don't know but he
does. Size isht all.

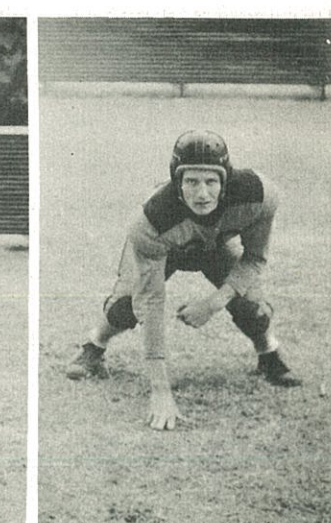

John Scogin
Center-2yrs. Makes
less mistakes than
any boy on the field
and knows what to do
in all situations.

Gene Dow
Quarter back-2 yrs.
Little but could play
that football, even
on one leg. Another
to be missed.

Bobby Gann
Half back - 2 yrs.
Wasn't he tough for
a little man? He
could kick, pass and
run. What else would
you want?

Lee Peters
End - 4 yrs. Four
years well done Lee.
A good end, tackle or
guard, and a fine
boy. One to be count-
ed on.
