

B. C. HENDERSON

High School Principal

Human beings enjoy the feeling of Mastery. A feeling of Mastery over a person, a thing, or a situation is always highly gratifying.

It has been our objective in Wink High School this year to create such a feeling, over the spiritual, mental and physical sides of life.

OLIVER J. BIERSCHWALE

Junior High Principal

The need for a good education becomes increasingly more important as our civilization becomes more complex. Through better education, we can keep our religious, cultural and social heritage. It is my sincere hope that I have helped you in attaining this education.
