

FOREWORD

To you who have come and gone through these doors this year we hope that this, the 1948 Wildcat, will preserve for you many faces and activities. Our theme has to do with a glamorous era. In years to come as you look back at the pictures here we believe you will feel it was a glamorous time, too, a period of good companionship, hard work, clean fun, well-fought ball games, friendly contests, and enjoyable music.

DEDICATION

In appreciation of his loyal service in our school system, of the excellent coaching he has given our football teams and to the friendship and understanding he has extended to the student body, we dedicate this, the 1948 Wildcat, to
