

Paula Green

Here's a girl  
That everyone knows  
She likes to have  
A lot of beaux

Kenneth Tidwell

He's very shy  
And very nice  
He likes mechanics  
And Chinese Rice

Coriene Griggers

Her eyes are  
Big and brown  
Where ther's fun  
She'll be around

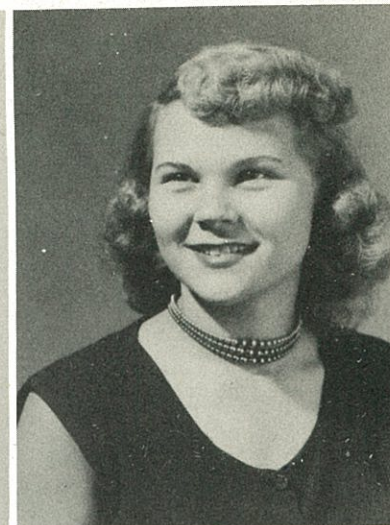

Angela Kegler

She doesn't know  
What the future contains  
But hopes it doesn't  
Require any brains

Mary Minjarez

She wears a smile  
Upon her face  
And gets a  
Welcome any place

Betty Morgan

She doesn't need  
To read a book  
On how to find  
A man to hook

Jeanette Hanes

Of many talents  
Is our Hanes  
The list is headed  
By her brains

Peggy Herring

She beat us  
To the alter  
But to graduate  
She didn't falter

Betty Jo Jenkins

A pretty girl  
Who likes to date  
She only wants  
To graduate

Maxine Morrow

The nicest girl  
You'd hope to see  
She's always busy  
As can be

Birdie Mae Ussery

Here's a girl  
Who's mighty sweet  
The kind we all  
Would like to meet
