DEDICATION

We take great pleasure in dedicating the yearbook of 1952 to the Wildcat team and coaches. They have worked unceasingly and tirelessly to make the Wildcats known and respected all over the state. With co-operation and spirit they have worked together to give Wink High School the largest championship title it has ever had. We hope that this dedication will express our appreciation in a small way to the coaches for their excellent job. This team has exceeded the high expectation that we hold for all Wildcat teams.
