

James Ogle
An awfully good sport
You have to be
To take all the teasing
As well as he.

Annelle Wallace
She's known to all
As a volleyball ace
And in many other fields
She usually sets the pace.

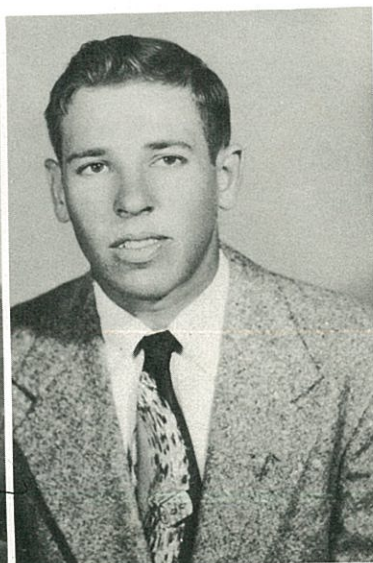

Roy Orbison
To lead a Western Band
Is his after school wish
And of course to marry
A beautiful dish.

Louis Payne
This chap's nickname
Is "Ax My Dad"
To be an acquaintance of his
Anyone would be glad.

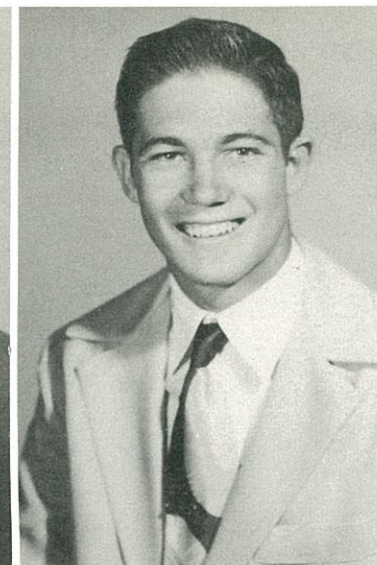

Barna Richards
Mediocre he calls himself
But we all know he's swell
His only classroom interest
Is the final bell.

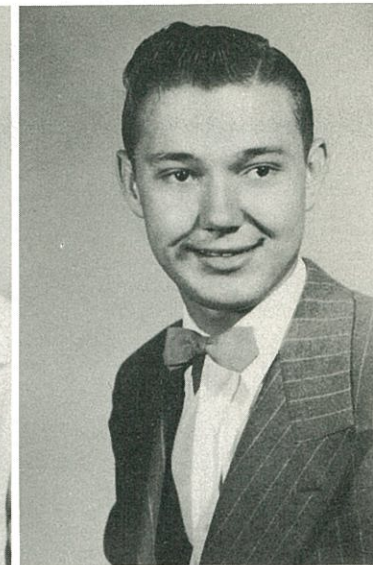

Tommy Ripper
A stellar guy
On the team
And in school work too,
He's on the beam.

Bobby Smith
He's known to all
As quite a joker
And one of his pastimes
Is just playing poker.

Ralph Turner
This boy is
The athletic type
And is known
Never to gripe.

Richard West
His nickname is "Heads"
And he's noted for same
With his music ability
He'll surely gain fame.

Thus we started to school
