

Charles Carman

The nickname "Chick"
We can't explain,
But with everything add-
ed together
We agree he's really
sane.

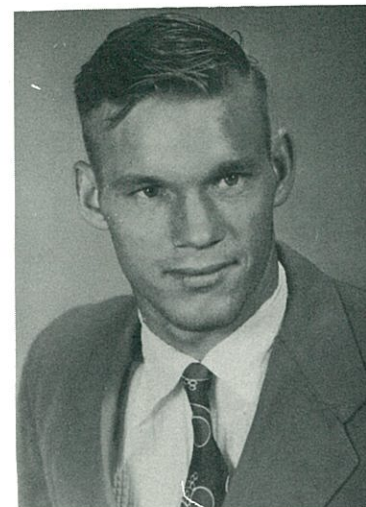

Carolyn Jones

Now Carolyn has talent
And can act, you bet.
She's crazy about plays
So she may be heard from
yet.

Bobby Ensey

Bobby's really built,
On the baseball mound
he's a whiz;
To all his many friends
He's simply known as
"Diz".

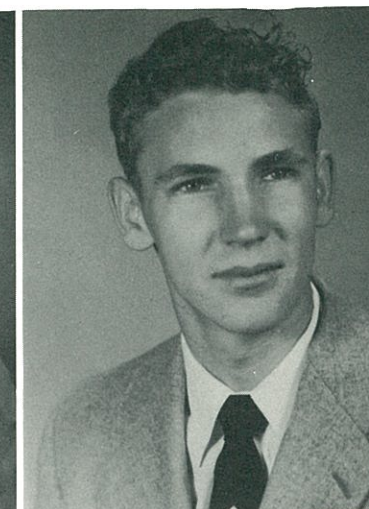

Charles Manning

This boy is rather quiet;
You never know he's
around,
But on the football grid-
iron
He always won renown.

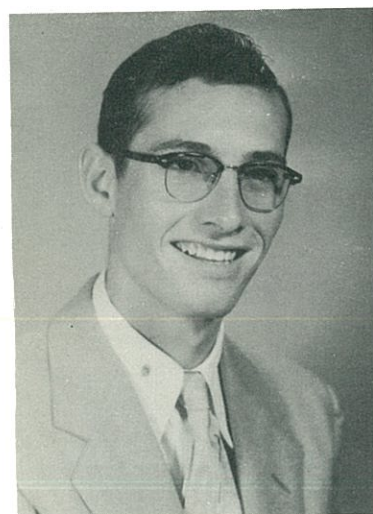

Ann Stephens

In any crowd this girl
stands out;
Her beauty has no match.
She really is a Hudson
fan,
But will never make this
catch.

James Morrow

Just see his looks;
We think he's swell.
His interest isn't books,
But you surely can't tell.

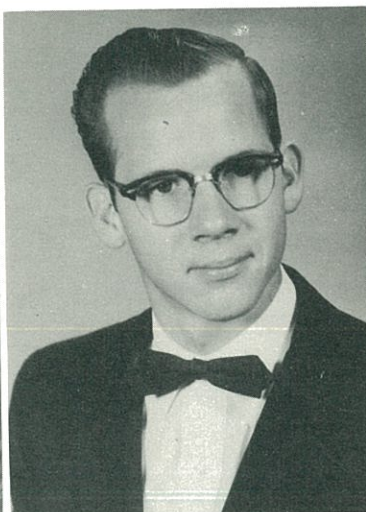

Clarence Ham

He's on the beam
As you might have guess-
ed,
So it seems Clarence
Was very well blessed.

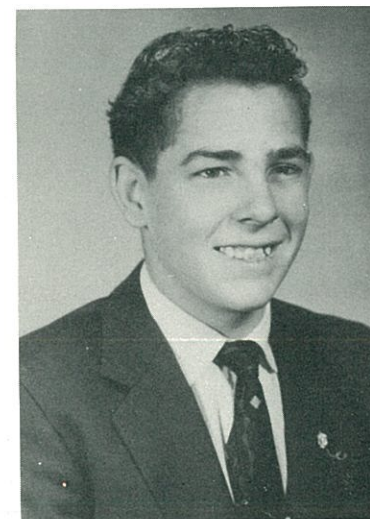

Linda McCain

She has big brown eyes
And a very cheery smile;
She's always willing to
help
If she has to walk a mile.

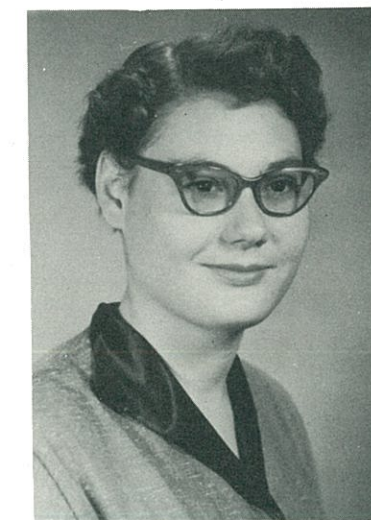

Teddy Joe Loving

Teddy's quite a talker;
He can go on all day,
And when there's a part
He's always in the play.

James Ripper

"Rip" has a loud laugh
And sees humor in all;
But when it comes to
work
He's really on the ball,

Phyllis West

This girl is really smart;
Her mind she never al-
ters.
She always lends a hand
And never seems to fal-
ter.
