

John Ripper

It's a dare to be a scholar;  
A dare to be an athlete,  
But John took them both  
And his records can't be beat.

She's the toast of the class,  
And the talk of the town,

She's a leader of the yells,  
And a getter of the cheers,  
Many happy memories are  
Among her souvenirs.

*She's everything to  
a wonderful friend  
and teacher.

Are genuine indeed!

On the Senior list,  
And a wonderful pal

She's been in our class  
For a year or more,  
And it makes us sad  
That she didn't join us before.

Have always been quite evident,  
He yearns to be a governor,  
Then he'll run for President.

His two favorite subjects,  
(He has many) are talking,  
And his Rocket-88. That's why  
You'll not catch him walking.

Merle Burns

He likes to try  
To do his best,  
And does it all  
With vim and zest.

Charles Campbell

He thinks of himself  
As "your daddy-o"  
For bopping and singing  
He's a real 'gone Joe'.

Soft brown hair  
And gray-blue eyes  
Are two lovely qualities  
That make Connie wise.
