

Bud

Buddy Everett
President

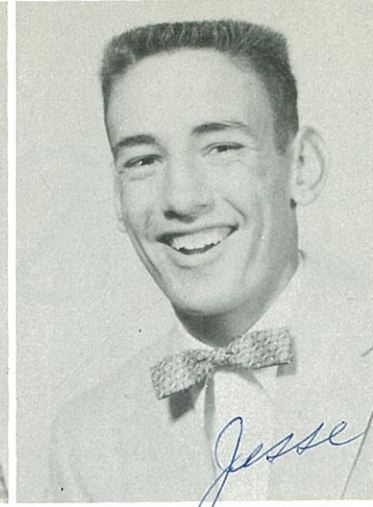

Has two favorite pastimes
Playing ball and acting a fool
We're really going to miss him,
Here in Wink High School.

Nancy Wilson

Nancy Wilson
Vice-President

She really is a scholar,
And a very pretty lass,
I say in all sincerity,
She rates high in our class.

Jesse

Jesse Marshall
Secretary

Jesse has many talents,
But sports exceed the rest,
Whatever confronts him,
He always does his best.

John Blackwelder

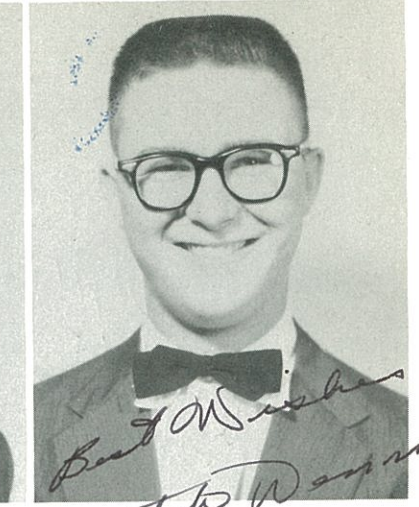

John Blackwelder

He may not be too large,
But I say in earnestness,
If desire makes up for size,
Then Johnny is the best.

Mary Alexander

She'll be quite pleased to know,
She's received greatest praise,
For her laughing brown eyes,
And her shy winning ways.

*Best of wishes
Butch Denman*

Edward Denman

Butch is very good looking,
Although he's awfully tall,
His one ambition is to be
A Pro at basketball.

*ya!
My favorite teacher
Marion*

Marion Brown
Treasurer

Always nicely dressed,
Always on the run
No matter where she is
She's always having fun.

*Boo!
Barbara*

Barbara Spencer
Business Manager

Barbara is very pretty,
And so very petite,
A sweeter more talented girl,
You'll never chance to meet.

*Giggles
Helen*

Helen Green
Reporter

A very frivolous lass,
With much charm and style,
No matter where you see her,
She's smiling all the while.

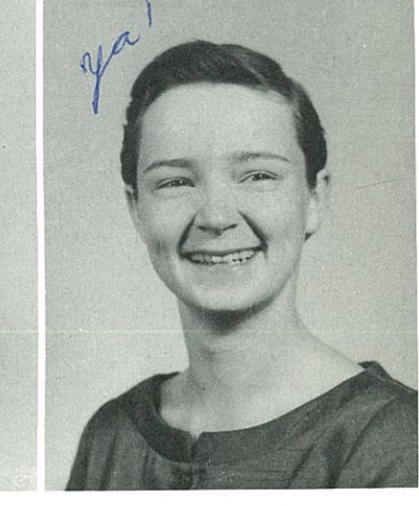

Jacqueline Bruton

She's always in a good mood,
And you'll never hear her griping,
She spends her spare time,
Just talking, reading, or typing.

Glenda Cook

A newcomer to our class
Glenda is a charming girl,
She keeps the teachers laughing
And the classroom in a whirl.

ya!

Laura Glamm

She's really very wonderful
We think she's just a dear,
No matter where she goes,
Good times are always near.
