

# Wildcat '69 Honors Student Body

"Cheer, Cheer, for ol' Wink High  
Lift up your hats and Cheer them by -" sing the  
students as the football team marches up the  
aisle ...

"We want two points!" shout the students as  
the basketball boys are once again victorious ...

Band students practice hard in hopes of a  
Sweepstakes ...

Students work diligently in track, volleyball,  
golf, and tennis ...

Students spend hours in practice for math,  
drama, and literary events ...

It is for students that the new auditorium was  
built and other buildings maintained ...

Students perpetuate our school and its activi-  
ties ...

It is with pride that the Annual Staff dedicates  
the Wildcat of 1969 to the Students of Wink  
High School.
