and collector

## IN MEMORIAM

E. A. McCALLISTER  
1916-1958

R. L. WATTS  
1890-1958

Gone from the halls and campus of the Wink schools are two men who did much to make our school life more enjoyable. We miss their interest in us, our activities, and our school; their sincere friendship; their cheerful greetings as we met them day by day and their cooperation when we needed extra help in any project.
