Just see his looks
We think he's swell
His interest isn't books
But you surely can't tell.

But sports exceed the rest
Whatever confronts him

To take all the teasing
As well as he.

Really does rate
He practices his horn
To make all-state.

As a friend he's swell
In hunting he does excell.

And be a card
For this shining classmate
Has never been hard.

And always friendly
As the days go by.
