

BARBARA McMILLAN

Mention two things to Barbara
And all at once she glows
The two things she enjoys most
Are books and pretty clothes.

GUY LANDRY

His life long ambition
Is just to loaf all day
And his only gripe is
That there is no pay.

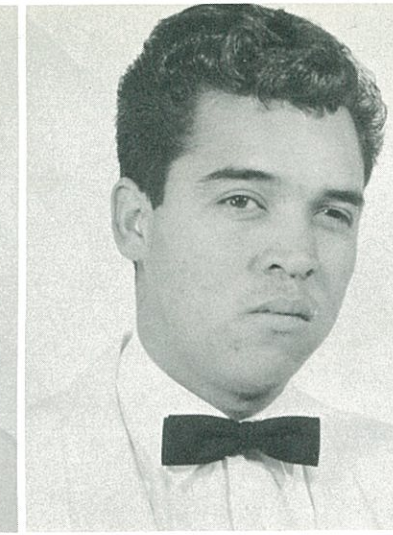

GLEND A POWELL

Because of her zest for living
And charming personality
She's the type of girl
We like to have in our locality.

KAY DELL COOK

A sweet little lass
With a cheery smile
And the type of personality
That is always in style.

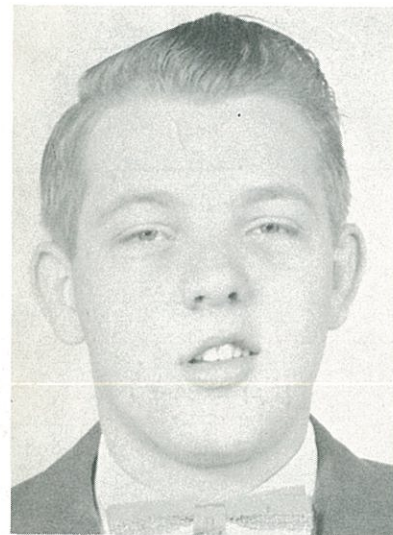

TITO HERNANDEZ

He's one top guy
On the Senior list
And a wonderful pal
His friends will miss.

JO CRANFILL

She has a nice word
For everyone she meets
And has the nicest smile
For all that she greets.

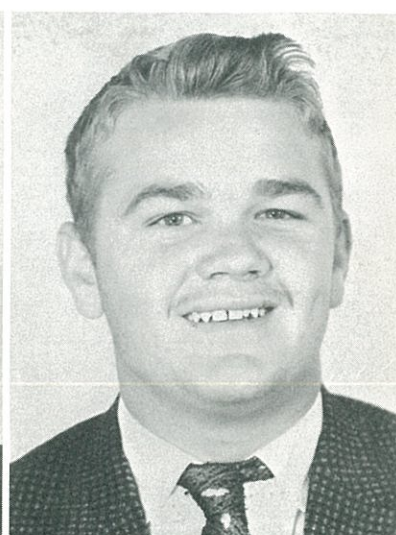

DAVID RAY

He's known to all
As the studious kind
And a nicer fellow
You'll never find.

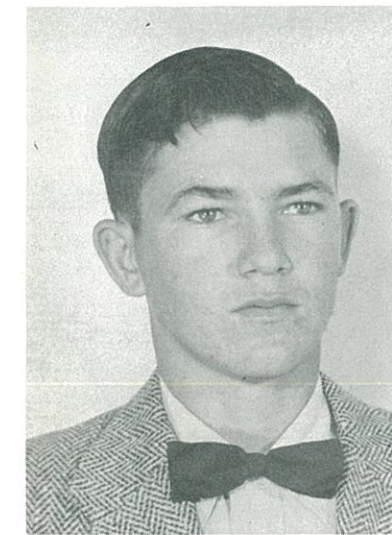

CAROLYN SPARKS

A talented girl
Who is liked by all
She is always ready
To answer any call.

HAROLD RUSSELL

He's two favorite pastimes
Playing ball and acting a fool
We're really going to miss him
Here in Wink High School.

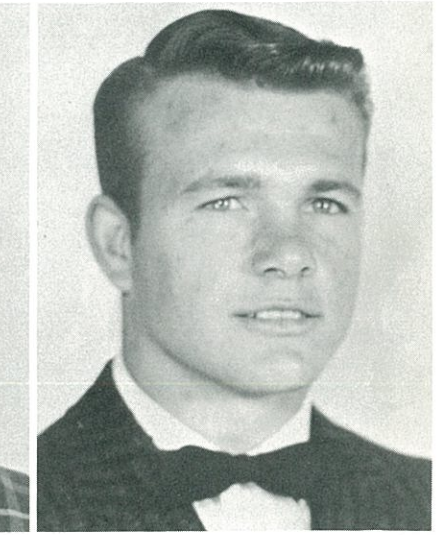

WILLIAM HOLCOMB

He's the type of person
We all like to know
And because of this trait
He's without a foe.

MONTA RAE JENKINS

She's a leader of the yells
And getter of the cheers
Many happy memories are
Among her souvenirs.

JERRY HOSKINS

A football ace and
An awfully nice guy
He'll long be remembered
At "ole" Wink High.
