

DEDICATION

We, the Annual Staff of the 1959 Wildcat, wish to dedicate this annual to a man who is admired and loved by one and all. He has devoted much time and energy to our school and is respected by everyone. His cheerfulness and everlasting smile are the qualities for which we know him best. He's always eager to help each and everyone of us in anyway possible and truly believes everyone is created equal. His capable and Christian leadership and participation in all our school activities make him even more admired. He tries very hard to educate us and he teaches us much more than can be found in books. So, with deepest regards and gratitude, we dedicate this yearbook to a man of whom we are very proud--

MR. TATOM
